# NAYLAND WITH WISSINGTON PARISH COUNCIL

Meeting: 12th June 2013

## POLICE REPORT

PCSO Mandy Coleman stated there had been two incidents reported in the last month; possession of class B drug and a dangerous dog in a public place.

## COUNTY COUNCILLOR'S REPORT

James Finch's report gave news on the new county council administration including their aim to freeze council tax for the next four years.

## ALLOTMENTS

The annual meeting with allotment holders has taken place.

Rosemary Knox agreed to show the Allotment Association judge round for the best kept allotment competition.

Quotes were being obtained to erect a 1.2 metre wide gate pedestrian access gate to prevent vehicles entering the meadow. It was noted this would be wide enough to allow a disability buggy through.

Discussing future access rights councillors agreed to investigate how to provide continued access for walkers on the allotment field.

## STREET LIGHTING

Debbie Hattrell said SCC had confirmed the cost of upgrading the parish council street lights in the 5 year plan will be frozen. Work has been authorised for the next phase; Bear Street from Parkers Way to the beginning of Birch Street, and one unit in Birch Street and Mill Street. The cost will be in the region of £4,000.

## JOHN KENT MEMORIAL BENCH

Tricia Fuller agreed to attend when the bench is installed to ensure it is positioned in accordance with the license issued by SCC Highways.

## PLANNING

Reviewing recent planning applications Gerry Battye said permission has been granted at Sargents Farm, Wiston for erection of a first-floor extension and listed building consent granted at Vine House, Court Street for 2 new doors and 1 window in rear elevation, 2 new windows in side elevation, installation of flue and internal alterations.

Permission has been granted at York Cottage, 19 Stoke Road for erection of detached out-building, off street parking bay, new vehicular access and erection of 1.8 metre high woven willow fence, fronted by 1.2 metre high brick wall to highway frontage (following demolition of existing boundary wall) but various conditions have been imposed relating to the boundary wall and access. Councillors had objected to the original application and had not been given the opportunity to comment on the amended application. It was agreed to query the amendment.

Councillors had no objections to an application for the erection of single-storey side/rear extensions, erection of a front boundary wall, cladding of existing two-storey extension, replacement windows and internal alterations at 11 Stoke Road or for a two-storey welfare building at Down to Earth Landscapes, The Willows, Wiston Road. They had no objections to the part demolition of north-east Churchyard boundary wall at St James Church to create pedestrian and mobility access to Church Lane and erection of ironwork access gate but would mention the possible archaeological implications and safety concerns that the access would be opposite the entrance to the Village Hall.

A letter of objection relating to Appeal by Bunting and Sons for The Stour Valley Visitor Centre at Horkesley Park had been sent to the Planning Inspectorate.

Councillors noted a site visit at 9-11 Mill would take place by the Planning Inspectorate on 18 June in relation to the Appeal for the demolition of the bus shed, construction of a pair of semi-detached 2 storey houses and alterations to the side and front elevations of 11 Mill Street.

Councillors would examine and give feedback on the modifications to Babergh Core Strategy and the draft Affordable Housing Supplementary Planning Document to enable views to be submitted to the consultation.

## RECREATION AND OPEN SPACES

The committee taking forward the project for new play equipment on Fairfield Recreation Field are exploring available grants and fact-finding.

The six-monthly risk inspection on existing playground equipment will be requested. A risk assessment of the milestone and memorial in High Street was carried out this week.

## FOOTPATHS

A deep pothole in path 18 in Dead Lane, from Wiston to Bures High Fen Road, will be reported to SCC.

## HIGHWAYS

Mary George advised that pot holes in Wiston and Mill Street have been filled but added in Mill Street only a temporary fix had been made.

A complaint would be made to Babergh that in some areas of the village the road sweeping and weed killing was not being done adequately.

Following councillors request for a safety review of the A134 junction with Bear Street and Wiston Road and details on the rationale of the current right of way design James Finch has formally requested an appeal for a speed restriction to SCC Highways.

## BURIAL GROUND

Mary George reported the lime trees on the burial ground boundary had been excellently pollarded.

Councillors granted permission for an inscription for Barbara Frizell to be added to Stanley Frizell's headstone.

Mary George is preparing the inspection report and proposals for the burial fee review.

## IN BRIEF:

Jonathan Free, Head of Communities at Babergh, has agreed to attend the September meeting to give advice on developing a Neighbourhood plan.

Andrew Gowen, treasurer of the Village Hall Management Committee, will attend the next meeting to discuss the Village Hall Endowment Fund.

## Nayland with Wissington Parish Council

# DOG WALKERS

Leaving behind your dog's excrement or a small polythene bag containing your dog's excrement is an offence. Using the Dogs (Fouling of Land) Act 1996, Babergh Council has powers to issue 'on the spot' Fixed Penalty Notices of £50, or to prosecute in the criminal courts, with fines of up to £1,000. *Popp's Piece* adjacent to Anchor Bridge, *Caley Green*, adjacent to the By-Pass, *Court Knoll*, *Bear Street Recreation Ground*, the *Village Hall* grounds & pitch, *Candy Lane* and the *Allotment Field* have all been identified as hot sites where this offence is still being regularly committed by some village dog owners, despite many polite reminders and unpleasant confrontations. Parents and children are returning home with soiled shoes and shorts. Errant dog owners have been warned. Our many community minded dog owners, as well as the residents of the village, are exasperated with this thoughtlessness. What do perpetrators expect to happen to a bag filled with excrement left on a path, fence or tree branch? A health hazard is being created, with toxocarasis potentially causing blindness of a child. Village Council Tax payers have provided poop bags and bins as well as our own grey wheelie. What more can they do or afford? Residents are asked to be on the look-out for this offence being committed. **Babergh Dog Control** should be informed at:

9am-5pm Monday – Friday      phone 01473 826622

# NAYLAND WITH WISSINGTON PARISH COUNCIL

Meeting: 10th July 2013

## POLICE REPORT

PCSO Mandy Coleman's report stated there had been four crimes reported in the last month; criminal damage to the gate and fencing at the recreation ground in Bear Street, criminal damage and theft to two vehicles on Harpers Estate, a daytime burglary in Wiston Road.

## COUNTY COUNCILLOR'S REPORT

A new website has been launched with information on Suffolk's project to deliver high-speed broadband across Suffolk: [www.betterbroadbandsuffolk.com](http://www.betterbroadbandsuffolk.com).

James Finch asked councillors if they felt local County Councillor surgeries would be useful to residents.

## PUBLIC FORUM

Roy Norfolk said trees on Webb's Meadow, to the rear of 17 Fen Street, had grown very large and were restricting the view from Fen Street. Councillors advised a tree inspection had recently been undertaken and the correct time to prune is the autumn. They will look at the area again.

## ALLOTMENTS

Rosemary Knox will be showing the National Allotment Association judge round for the best kept allotment competition on 18th July. Tom Gardiner said numbers had not yet been fixed on the allotment gates.

Quotes have been obtained to erect a fence and 1.2 metre wide pedestrian access gate to prevent vehicles entering the meadow.

Rosemary Knox is investigating how to provide continued access for walkers on the allotment field and will be meeting the Footpath Warden on site.

Mary George will meet Suffolk Wildlife Trust on site when they install a barn owl box on the allotment field to agree its location.

## PLANNING

Reviewing recent planning applications Gerry Battye said permission has been granted at 11 Stoke Road for erection of single-storey extensions, erection of a front boundary wall, cladding of existing two-storey extension, replacement windows and internal alterations with conditions relating to external facing and roofing materials and at Down to Earth Landscapes, The Willows, Wiston Road for a two-storey welfare building with various conditions. Consent has been granted for the part demolition of north-east churchyard boundary wall at St James Church to create pedestrian and mobility access to Church Lane and erection of ironwork access gate.

Following a site meeting at 9-11 Mill Street, the Planning Inspectorate has dismissed an Appeal for the demolition of existing disused bus garage, clearance of the site and construction of two semi-detached domestic dwellings, alterations to external landscaping to the rear of the properties to provide external parking provision, alterations to side and street elevation of 9 Mill Street and minor alterations on land known as Swan's Nest to provide domestic gardens and pedestrian access. *The seven page decision document can be viewed on <http://www.pcs.planningportal.gov.uk/pcsportal/ViewCase.asp?caseid=2184331&coid=2162696>*. It mentions: the extensive volume of the new building, its massing and the unrelieved monotony of the facades would render it wholly out of keeping with the intimate scale of buildings intrinsic to this conservation area; the proposed access gives rise to hazardous highway conditions; the new building would mitigate the overshadowing concerns of neighbours and the noise generated by manoeuvring of vehicles would be disturbing; the proposal would seriously impact on the area's visual amenity and on the pleasant verdant contribution of Swan's Nest and raised concerns on the future implications of the protected Plane tree.

Councillors are still examining the documents on a planning Appeal relating to Creems, Bures Road for change of use from

agricultural land to residential to allow for new driveway, parking area and erection of garage for use with existing dwelling. Those who have seen the documents found no reason to alter their opinion to object to the proposal.

Councillors will provide comments for submission to Babergh's pre-draft consultation on a new statement of community involvement. Comments will include that amendments to planning applications should be made available to parish councils.

## RECREATION AND OPEN SPACES

The six-monthly risk inspection conducted following recent vandalism at Fairfield Recreation Ground has identified work needed. Recent hot weather has affected the safety surfacing. It was agreed to order the safety work. It was agreed to obtain quotes to replace the wooden gate with a metal gate and posts.

A site meeting at the Horse Watering will be arranged with the contractor to discuss maintenance.

Gerry Battye said the village benches need a maintenance check.

The trough in High Street had been planted up with summer bedding but comments that it needed attention were noted. Matthew Pescott Frost agreed to follow this up.

A risk assessment of the milestone and memorial in High Street found no problems but recommended cleaning and repointing. It was agreed to obtain quotes for this work.

## FOOTPATHS

Councillors were concerned that SCC have not been responding to their requests for maintenance work to be carried out. Councillor Finch said he would raise the issue with the Byways Manager.

## HIGHWAYS

James Finch raised a request from a resident for road markings across the entrance to their property in Bear Street to prevent parking. Councillors said there were many cases where this could be consigned. They hoped common sense would deter drivers from obstructing driveways.

James Finch said he was fighting, with some vigour, the speeding issue on the A134 Nayland bypass.

## BURIAL GROUND

Councillors agreed to Mary George's proposals for the burial fee review.

A letter would be sent to undertakers asking their gravediggers not to put soil on the burial ground boundary.

The burial ground rules will be displayed.

Babergh, who manage the old section of the burial ground, will be asked to remove the old metal bin by the lynch gate and provide an extra wheelie bin.

## PARISH COUNCIL MEETINGS

Councillors agreed to have a break from meeting in August and the chairman and vice chairman were empowered to act on their behalf. If action was required prior to the September meeting on planning applications a meeting would be called to discuss them on 14 August. Routine matters would be dealt with by round robin.

Jonathan Free, Head of Communities at Babergh, will be attending the September meeting to give advice on developing a Neighbourhood plan.

## IN BRIEF:

Tricia Fuller said John Spooner is awaiting delivery of the John Kent memorial bench, he will then stain it and position it by Bear House using a resin fixative.

Permission was granted for HortSoc to place a banner on Caley Green to promote the Flower Show.

Councillors felt Maria Mason's resignation as chairman of the Youth Club would be a loss to the group.

Following a request to erect a first aid gazebo for 100 runners in a marathon near the Stour Valley Path for Matthew Pescott Frost would contact the organisers to clarify details.

## COMMUNITY COUNCIL REPORT

Meeting: 3rd July 2013

Chairman: Alex Badman 262994

### MATTERS ARISING

**Village Christmas Tree:** Alex Badman said the contractors will be installing the new fixing during July.

**Notice Boards:** Roy Norfolk is constructing a replacement board to be put on the Old Forge, next to Forget Me not.

**Parish Council Rep:** Mark Burbidge was welcomed to the Executive Committee.

**Executive Committee:** Neil Barbrook was welcomed as a member of the Executive Committee. It was felt a stronger executive was needed and word of mouth was a good way to recruit new members. An appeal for volunteers to join the CC exec would be made at the Quiz Night.

### GRANTS & DONATIONS

**Dental & Cosmetics Surgery:** A donation of £30 has been received from a raffle held at their Open Day. Alex has sent a letter of thanks. This will be spent on additional decorations for the Christmas Tree.

**Court Knoll Lodge:** A donation of £500 has been received towards worthwhile causes in the Parish. It was agreed to defer making a decision on who should benefit from this until the next meeting when the Treasurer was present.

**St Mary's Church Gate:** Rosemary Knox has requested a grant towards replacement of an oak entrance gate. It was suggested the CC's constitution would need checking in relation to this request and it was agreed to defer making a decision until the next meeting when the Treasurer could provide advice on this.

**Nayland Test Pit Dig:** The Conservation Society have applied for a grant of £1500 towards the £8,000 cost of holding another two day dig involving 16 pits. Concern was expressed that other annual grant applications for substantial amounts were expected and income was currently mainly from the Community Times, the Calendar and Firework Night. It was noted a grant of £500 for the Conservation Society's book had already been agreed and would reduce funds further. It was agreed to defer making a decision until the next meeting when this could be discussed with the Treasurer present.

### TREASURER'S REPORT

Bryan Smith's report stated income totalled £2,695.00 which included the Community Times £1,860.00, Calendar £297.00 and a donation from the Freemsons £500.00. Expenditure totalled £2,031.50 which included Grants £1,000 and Community Times £804.00. Unencumbered assets stood at £17,829.10.

### COMMUNITY TIMES

Lorraine Brooks said the response to the website celebration quiz had been disappointing with no entries from the 12 years and under age group. The winner was Anne Spencer, and the Hitchcock family were runners up.

An email enquiry regarding colour printing was raised. It had been decided that this may be considered for special occasions, such as a Jubilee Party or Festival. It was suggested some annual celebrations could be considered. It was added this may blur boundaries regarding which annual events should/shouldn't be included in colour.

### VILLAGE CALENDAR

Lorraine Brooks passed round a proof of the calendar and which had gone to print. Calendars would be on sale from 3rd August at the Flower Show, then at other village events and shops. If anyone can help selling them at their events/venues, please let Lorraine know.

**Fundraising:** Iain Wright will approach the organiser of the Farmers Markets regarding the CC holding a raffle each month.

### FORTHCOMING EVENTS

**Bank Holiday Picnic on the Meadow - Sunday 25th August:** Duck Race, Family Picnic & BBQ, a Music Set and 'Open

Mike'. Iain Wright is leading. Reeds in Mill Stream will need cutting back for the Duck Race. Organisation will be done via email round robin due to the time restriction.

**Village Quiz - Friday 4th October:** Rachel Hitchcock is leading. An email has gone out to village groups asking them to submit 10 questions in a similar way to last year. Woodland Corner helpers will help setting up the hall and do the scoring.

**Bonfire Night - Tuesday 5th November:** Promotion for Guys to put on the bonfire will be needed in the October CT.

**Christmas Fayre - Sunday 1st December 12-2pm:** Alex Badman, Neil Barbrook and Jenny Smith will liaise on organising. Jayne Kennedy confirmed that Nayland School will provide some musical entertainment at approx 1.20pm. A decision on a children's competition will be made after Jill Badman has liaised with the School.

**Valentines Night - Saturday 15th February:** Karen Elliott will lead, Claire Buller will help. Iain will organise the bar, Karen will book the music. We are looking for ideas for food/catering.

### SOCIETY REPORTS

**Choir:** Ian McKay said the concert in Bury Cathedral was a success and they are performing Verdi Requiem at the Albert Hall on 7th July. They are discussing how to celebrate the Choir's twentieth anniversary in 2014.

**Conservation Society:** Jill Badman said Open Gardens was very successful; they are hugely grateful to everyone involved. The talk *Farming in the Stour Valley* was very interesting. On 14th October Bill Starling will be talking on the *Jane Walker Hospital - recent history*. They are planning another Test Pit Dig for next autumn.

**Nayland Fundraising Committee:** Jill Badman said a Cabaret Evening will be held on 5th October at Littlegarth School with entertainment, dancing and supper in aid of MND Suffolk (Motor Neuron Disease) and the new radio therapy centre at Colchester general hospital.

**Art Group:** Colin Ramsell said they had an enjoyable visit to Christchurch Mansion to view the John Constable exhibition. They enjoyed another session with tutor Vernon Lever and indulged in a cream tea at Newton Green Golf Club.

**Woodland Corner:** Caroline Keep said this is a very busy time with activities and children. They have planned summer holiday clubs, a cake stall outside Kerridge's on 5th October and a shopping evening fundraiser on 14th November.

**Firefighters:** Karen Elliott said they had a successful open day resulting in some applications for the firefighter vacancies. Closing date for applications is the end of July.

**First Responders:** Karen Elliott said there were now only three volunteers - more were needed. They recently had a training session with other local groups.

**Village Hall:** Iain Wright said they were carrying out preventative maintenance which would save money long term. He reminded the meeting of the lottery scheme which was a source of income for the hall.

**HortSoc:** Lorraine Brooks said they are grateful for support at the Morning Market, the outing to Sissinghurst Castle and Marle Place Garden was successful and the screening of the film *Digging For Victory* went very well. The scarecrow and hanging baskets competitions will take place on 13th and 27th July and the Summer Party on 19th July. Schedules are available for the Flower Show on 3rd August. They are taking bookings for a coach outing to RHS Wisley Garden and Autumn Show on 8th September.

**DATE OF NEXT MEETING:** will be on **Wednesday 28th August 2013** (*changed from 4 September*), Church Hall, 8pm with Exec at 7.30pm.

## *Please Avoid Bonfire Burning*

Please be aware that the heat-wave doesn't suit all our residents. Together with high pollen counts and UV levels, some elderly people and asthmatics are finding the weather a challenge. The centre of the village and estates have suffered from unnecessary bonfires being burnt, which have added to the problem. Smoke is hanging in the air and spoiling the enjoyment of sitting out in the garden at the weekend or early evening and creating additional problems for respiratory sufferers. Perhaps all bonfires could be avoided in the present weather and then lit with consideration for neighbours.

## NAYLAND & DISTRICT EMERGENCY FIRST RESPONSE TEAM

Co-ordinator: Karen Elliott on 01206 263233 or kazelli@btinternet.com

We recently teamed up with groups in Stratford-St-Mary and East Bergholt for training sessions on Medic Alert identification and patient assessment techniques, which included Primary and Secondary Surveys, levels of responsiveness, prioritising treatment, Pulse Oximeter, FAST test, assessing pain, observations and monitoring, and also participated in practical scenarios for Cardiac Arrest, Asthma and Stroke. We have attended several incidents recently, which have included patients with head injury, falls, breathing difficulties and heart problems.

Our congratulations to Carl Carrington who has been appointed to a full time position with the training team in Essex and his experience in this role will greatly enhance our group. We are delighted to welcome Laura Thurlow back to the team who returns after taking some time out last year and has recently passed her annual Community First Responder (CFR) assessment with flying colours! Karen continues to support locally in her role as a CFR Trainer/Assessor and has assisted on recent induction courses and assessments.

A special mention for two members of our team - Tony Price and David Pryor - who have retired from the group after many years of valued service to the local community as First Responders and will both be greatly missed. Tony was a founding member of the Nayland group formed six years ago, and David has been with us for the past four and a half years. We would like to thank Tony and David for all their hard work, dedication and commitment over the years and wish them well with future endeavours.

## We need your help...

Nayland First Responders are a team of volunteers who attend medical emergencies within the local area. We are looking for more volunteers so that we can provide as much cover as possible.

The group have monthly training meetings and duties are very flexible to fit in with other commitments. Are you interested in joining us, or perhaps know a friend who may be?

If so, please contact Karen Elliott on (01206) 263233 or email kazelli@btinternet.com

## ROYAL BRITISH LEGION

Secretary: Andrew Gowen 262534 parkersag@yahoo.co.uk Chairman: Ken Willingale 262531

Our President, Geoffrey Lindop, will shortly be leaving the village which is bad news for the Branch. Geoffrey has been a mainstay to the branch as Chairman and as President for many years and we shall all miss him. We wish him and Moira well in their new home.

We had a very pleasant and informative visit to Boxted Airfield Museum during the evening of 17 July followed by wine and sandwiches in the Anchor. It was a very jolly evening. We were hosted by Richard Turner, the Museum Trust Chairman, and his talk was outstanding. We all felt a little ashamed that the Museum had been going for over 2 years in this

next door village and we had only now got round to visiting it. Richard also told us why the airfield which resides in Langham is called Boxted; all to do with another Langham Airfield in Norfolk and Boxted being the next village. It was arguably the most important and successful US Airbases in England during the last World War. You must visit it; open 10am to 4pm on the last Sunday of each month March to October inclusive.

The saga of the Christmas bonuses from Branch Funds continues. We have been warned that if it continues we shall all be expelled from the Royal British Legion. We are all pretty fed up and are considering separate fundraising outside the auspices of the Royal British Legion so that we can continue the scheme. We feel that if the RBL is to have any meaning at local level our small contributions to ex service widows, widowers and families to remind them of our appreciation is the least we can do.

Our next meeting is in the Anchor on Monday 16 September at 8pm. Please come early to sink a round or two into the Butts!!

**We are having a day visit to Martlesham Airfield Museum on the 16th October followed by a pub lunch.** John Partridge is organising this visit so let him know as soon as possible (we need numbers for the bus) on 263733 if you are interested. Our visits are not restricted to Royal British Legion Members and we welcome anybody who wants to join us.

Lorna Rumsey is now Secretary, Jeannette Finch is President and Pam Baker is Treasurer. The remaining Committee wished to continue for another year.

Our June meeting was 'A Walk around Nayland' it was a lovely evening and Wendy Sparrow whose wealth of knowledge on the history of Nayland kept us thoroughly entertained and informed. We returned to the village hall for coffee and cakes.

On June 25<sup>th</sup> a group of ladies went on a boat trip on the River Deben from Waldringfield to Felixstowe Ferry, some seals were sighted on the sandbanks. On return a very enjoyable lunch was had at the Waldringfield Golf Club.

On 15<sup>th</sup> July our speaker was John Stuart a St John Ambulance volunteer, John gave a very interesting talk on First Aid, relating some funny anecdotes as well as giving us some first aid tips.

On 19<sup>th</sup> August we will be having an Afternoon Tea Party and on 16<sup>th</sup> September Judith Blatch will be talking about the *History of Winch & Blatch, Sudbury*. We would love to have some visitors, so come along for 7.30pm.

The coach outing to **Sissinghurst Castle Garden & Marle Place Garden & Gallery** in June proved to be another successful day out. Both venues were very interesting and made us feel very welcome indeed.

The film screening of the delightful documentary **'Digging for Victory' on 18th June** seemed to capture the hearts of a large crowd in the Church Hall on 18th June.

Filmed at Capel St Mary, it is a charming story of a Suffolk village allotment and the dedicated growers, enthusiasts and contenders who tend to their fruit and vegetables. With a diverse cast of characters and a quirky yet affectionate style, is a warm and nostalgic look at this most British of past-times. It certainly was a feel-good film guaranteed to entertain and we hope it will also inspire more people to grow more produce .... and consider entering the Nayland Flower Show.

The film directors/producers, Darius G Laws and Nick Wolgar kindly came along to introduce the film and answered questions afterwards. Darius said he met so many interesting people while down on his mother's allotment and felt there was an interesting story to tell about the all characters from many walks of life who are drawn together by this common pursuit. They had copies of the DVD on sale, which were soon snapped up. It seems the film is proving very popular and screenings are taking place as far away as Cuba!

Nearly sixty members came along to enjoy this year's **summer garden party on 19th July** during the heatwave – for a change we did not have to worry about the possibility of rain!

During a tour of the lovely garden Andrew gave a very interesting demonstration on propagation which gave us confidence to try this with our own plants. Winners of the ticket draw were; Wendy Sparrow and Hazel Gardiner. Grateful thanks are due to the committee for putting it all together and especially to Andrew and Sue Gowen for their fantastic hospitality.

We hope you enjoyed seeing some new residents and allotmenters popping up around the village for the Scarecrow competition – they were very creative and while scaring the birds, they charmed the judges. Results will be revealed at the **Flower Show on 3rd August**. Schedules for the show are still available in local shop or on our website – entries should be submitted by Wednesday 31st July. See *the adverts on pages 13 & 19*.

This is a friendly village show and fellow entrants help each other as well as have some friendly banter. The times we hear the comment, "my ..... [veg/flowers] are much better than those", so do consider having a go yourself.

We are taking bookings for the autumn coach outing to RHS Wisley on 8th September. We have been before as a group but earlier in the year when different plants were at their peek and this visit coincides with their Autumn Flower Show. See *more details and a booking form on page 18*.

*We were welcomed at Marle Place Gardens, Kent*

Forthcoming events include:

- 27<sup>th</sup> July** Judging of the **Hanging Basket Competition** (from 10am)
- 3<sup>rd</sup> August** **Annual Flower Show** 2pm Village Hall - schedules available in local shops or on our website [page 13 & 19]
- 8<sup>th</sup> September** Coach outing for members to **RHS Wisley Gardens** and **Autumn Flower Show** [see page 18]
- 15<sup>th</sup> October** Autumn Speaker: Hilary Thomas **'A Bulb For Every Season'** 7.40 for 8pm Church Hall [page 11]
- 11<sup>th</sup> November** Joint Meeting: Dennis Dungey **'Badgers'** 7.40 for 8pm Village Hall

## NAYLAND WITH WISSINGTON CONSERVATION SOCIETY

Hon. Secretary: Andora Carver 262970  
 carversnayland@talktalk.net

[www.naylandconservation.org.uk](http://www.naylandconservation.org.uk)  
 Chairman: Mr J Alexander 262676

**A Special General Meeting** was held on 24<sup>th</sup> June at which members voted for two small amendments to the Society's Constitution to:

- Amend object 2 c to a) secure the preservation, protection, development and improvement of features of historic or public interest in the area of benefit and
- b) *acquire items of historic or public interest in the area of benefit.*
- Also to insert a new clause 2.xii *that the Society, through the Executive Committee, may acquire and hold any feature or object of historic or public interest relating to the area of benefit.*

Almost 90 members and friends then heard John Rix give a very interesting talk about Farming in the Stour Valley. Having started on a 28 acre dairy farm in 1950 the business has grown to 5,300 acres employing 130 people, the majority of whom live locally.

Onions for Tescos, potatoes, lettuce, sugar beet, winter wheat and barley are among the varied crops grown on the valley sides. Two herds of pedigree cattle graze over 400 acres of grassland adjacent to the river Stour and on the less productive steep hills on the valley escarpment. (Further details of John's talk can be found on the Society's website (*address above*))

**Open Gardens:** The weather was good and more than 400 people came to enjoy the 16 gardens which were open. About £2,500 was raised for the Society and we are very grateful to all the openers, the tea helpers and cake makers. Positive comments from visitors were that 16 was the perfect number of gardens to enable them all to be seen during the afternoon. This year the surplus will go towards funding of the 2<sup>nd</sup> Nayland Test Pit dig in Sept/Oct 2014.

**Photo archive:** To mark the 40<sup>th</sup> Anniversary of the Society next year, Lorraine and Andora are digitally recording many hundreds of photos and documents which have been given and loaned to the Society. Some of these, from the Walsh Collection, will be used as the picture round in the Village Quiz.

**9-11 Mill Street:** The Appeal against refusal of applications to build 2 houses on the site of the disused Norfolks' garage has been dismissed by the Planning Inspector.

**Next Meeting** is on 8<sup>th</sup> October when Bill Starling will talk about the Recent History of the Jane Walker Hospital which should be a fascinating topic. Usual time and place.

**Latest News:** Dr. Carenza Lewis has just confirmed that they are free to come to Nayland for a return Test Pit Dig on 20th and 21st September 2014.

## NAYLAND ART GROUP

Daphne Berry 262641

It has been a busy final session for the Art Group before the Summer Recess. We started with a visit to Christchurch Mansion in Ipswich, to view the Constable's and other works of art in the collection there, all with the help of the Community Bus on the 12th June. I think it proved very interesting to all on the trip, ending with a photo of the Art Group and friends.

After our last tutorial with Vernon Lever, the Art Group and friends met up at Newton Green Golf Club for something completely different to end the session - a cream tea, thanks to Joyce who is a member there. It was particularly good to have the company of Ginge and his wife in good spirits making up the party.

We meet again after this summer break on 11th September.

## BOWLS CLUB

Secretary: Eva Rolfe 263151

On June 5th Polstead came to us, to their dismay we had one of those games where everything went our way and we scored a 10-0 win. On the 10th we went to Burstall, this time lady luck was not with us, and despite four very close games with only six shots between us, at the end of the evening we lost 3-7.

Two days later Stratford St Mary came to us and for the second time in three matches we managed a 10-0 win. A week later Tithe Barn came to us and once again we had a good game with only one team losing, we won 8-2. On June 26th Hadleigh came to us, one of our teams had a good win always being in control and one team drew, the other two teams lost so we again lost 3-7.

By the time you read this we will only have two matches left to play, lets hope we can keep winning.

We held our AGM on July 10th with very few changes to our officials; Chris Everitt stepped down as chairman, Mervyn Farthing was voted in as his replacment and continues as Captain, Eva Rolfe continues as secretary, Diana Whiting as treasurer and Sylvia Bond as vice-captain also running the summer league.

Fixtures: August 1st Polstead away, August 7th Bramford at home.

## NAYLAND CINEMA

Chris Thompson Secretary V.H.M.C.

On **Friday 26th July** we will be showing the film **Quartet** starring Maggie Smith, Billy Connelly and Michael Gambon and directed by Dustin Hoffman.

On **Friday 27<sup>th</sup> September** we will be showing **Hyde Park on the Hudson**. This is a 2012 British biographical historical comedy drama directed by Roger Michell. The film was based on Margaret "Daisy" Suckley's private journals and diaries, discovered after her death, about her love affair with and intimate details about President FD Roosevelt.

In June 1939, President Franklin Delano Roosevelt (Bill Murray) and his wife Eleanor (Olivia Williams) host the King and Queen of England (Samuel West and Olivia Colman) for a weekend at the Roosevelt home at Hyde Park on Hudson, in upstate New York - the first-ever visit of a reigning English monarch to America. With Britain facing imminent war with Germany, the Royals are desperately looking to FDR for support. But international affairs must be juggled with the complexities of FDR's domestic establishment, as wife, mother, and mistresses all conspire to make the royal weekend an unforgettable one.

We have an interval for drinks and ice creams and an opportunity to chat to your neighbours. The bar is open at 7.30pm before the films which start at **8pm**.

Do join us for these events and help support your Village Hall. All profits go towards the upkeep of the Hall.

Will Hitchcock T: 263169 M: 07768 435719 E: [info@transitionnayland.co.uk](mailto:info@transitionnayland.co.uk)

We held our annual summer solstice walk on 22<sup>nd</sup> June. Guided by Suffolk historian Chris Hunt, we walked from the Anchor Inn up to Carters Vineyard in Boxted for a tour of the vineyards followed by a wine tasting. It was a glorious sunny afternoon and we had a fantastic turn out, thank you to everyone that came along.

We will be having our annual summer BBQ on Saturday 31<sup>st</sup> August from 3pm at the allotments in Nayland. Everyone is welcome so please do come along, it's usually a great family fun afternoon. Just bring along some food to stick on the BBQ and help us celebrate what we hope will be a bumper harvest time.

We will once again be supporting and celebrating British Food Fortnight by hosting an Apple Day event on Saturday 28<sup>th</sup> September in the village centre. We will again have an apple press so if you have an abundance of fruit, why not bring your surplus along to be made into apple juice?

On 9<sup>th</sup> July, Will and Michaela, along with Nayland Primary School, were host to an environmental group from the University of the Third Age (U3A), a group of retired people who are keen to learn about and pursue new interests. The group had a walk around Nayland Primary School, guided by the eco-team they were shown the schools new wildlife garden, the sedum roof, the solar panels and the new measure my energy software. The eco-team were understandably very proud to talk about their achievements having been awarded the much sought after Eco-Schools Green Flag in January this year and also having been awarded Suffolk's Greenest School in March.

The U3A group also had tour of the Hitchcock's house, a 120 year old Victorian red brick cottage in Nayland. The group were fascinated to hear about and see the energy efficient measures that the Hitchcock's have had installed in their home which includes a solar pv installation, dry lined insulation in each room, a composite insulated wooden front door, a double sided wood burner, 100% low energy lighting throughout and spray foam insulation in the loft space.

The Hitchcock's house will be open to the public on Saturday 14<sup>th</sup> September, as part of the nationwide SuperHomes week. SuperHomes is a rapidly expanding network of energy aware households where pioneering homeowners, like the Hitchcocks, are redefining green living. All have refurbished their old homes to the highest standards of energy efficiency. Eco friendly, sustainable, low energy and low carbon – all of the refurbished houses are at least 60% less reliant on fossil fuels. If you would like to book an appointment to visit the Hitchcock's house or any other SuperHome, please visit [www.superhomes.org.uk](http://www.superhomes.org.uk)

Finally, if you would like to subscribe to the quarterly Transition Free Press newspaper at a cost of £4 per annum, please contact [info@transitionnayland.co.uk](mailto:info@transitionnayland.co.uk)

Thank you for your continued support!

## NAYLAND PRIMARY SCHOOL: ECO TEAM

Michaela Woollatt

The eco-team met for the last time before the end of term and we thought about everything we have achieved this year. We are very proud of ourselves.

We worked very hard to get our Eco-schools Green Flag award in January. In March we were awarded Suffolk's Greenest School award.

The work our eco-team has done has been written about in lots of newspapers and also talked about on the radio. We have had lots of visitors to our school who are interested in seeing how an environmentally friendly school works.

We set up a new nature club which is very popular with everyone at school and which is lots of fun.

During gardening week we helped tidy up the school grounds. In September we are going to tidy up our wildlife garden - which has got a bit too wild! If any parents are free to help us with this, please get in touch.

We are excited about the challenges that next term will bring and in the meantime we will continue to be eco-friendly and we hope you will too.

## NAYLAND PRIMARY SCHOOL : UKULELE ORCHESTRA

Jayne Kennedy

Another busy term has come to an end at Nayland School and was marked, of course, with lots of music. The annual Summer Concert had over 60 children participating. As well as the school's two choirs, Ukulele Orchestra, two recorder groups and the guitar group, many other children auditioned to perform in the concert, and so individual instrumentalists and singers, dancers and small group acts were also included. The standard of audition was extremely high, particularly given that the children had to organise and rehearse independently in their own time, and so a second concert was held in school for those not able to perform in the Summer Concert. Of course being a singing school parents, friends and teachers also got the opportunity to join in with some singing, most notably in an arrangement of Space Oddity, which also featured the two choirs (as Ground Control and Major Tom!) and the guitar group providing fantastic accompaniment and sound effects.

It's been a very busy year and the children have had the opportunities to perform in a huge variety of settings from the formality of Snape Maltings, to the vast arena at O2, in front of their friends in school and for our local community in St James' Church and the Village Hall. Many thanks to Ms Delaney and the rest of the Nayland staff team for encouraging and supporting all the extra curricula music in school, to the children and parents for their support and most importantly to parent volunteer Emma Bishton for giving of her time so generously.

We're already planning for next year so watch this space.....

We have also enjoyed a fun packed Sports Day and Toddler Waddle – children were sponsored for their participation in races which they carried out in the style of different mini beasts – ladybirds, spiders, buzzy bees and butterflies! Great fun was had by all and the money raised will go towards buying new equipment for the children to enjoy.

The After School children have continued to make the most of the weather with water play being a popular activity this half term!

I have enjoyed running the group and have met many people along the way, and made some life long friends, as have all 3 of my daughters!

As from Friday 6th Sept Michelle and Alice will be taking over from me and I hope they enjoy it. I would just like to say thank you to all the people who help with Toddler Group every week, setting up, clearing away or picking up the bottle of squash which I had forgotten to get!!! Like every end of term, along with saying goodbye to some mums and children, you always get to welcome new faces, and Toddler Group is forever growing.

Toddler Group welcomes you back on 6th September . *Happy Summer Holidays, Liz xxx*

## 1<sup>st</sup> NAYLAND SCOUTS

Scout Leader: Malcolm Macbeth 01473 827239

Over the last few weeks the Scouts have lashed together wooden poles to form uprights then fixed an old badminton net across and had a game of volleyball. They lashed the wooden poles together to make a Roman catapult to launch a tennis ball - successfully, but the ball didn't go very far! They have also cooked on the Trangia stoves.

I have some rolls of good condition second hand wire netting available for a donation to 1st Nayland Scout group. Suitable for use in gardens/allotments, they are approx 20 feet long and 3 or 4 feet wide.

The photograph shows Scouts, friends and family following their 6 mile sponsored walk on 4th July.

Scouts have now broken up for the school holiday, the next meeting will be on Thursday 5th September at the scout hut. Scouts meet on Thursday evenings at 7-9pm (10.5 – 14 yr olds). Please contact Malcolm Macbeth 01473 827239.

## NAYLAND PRIMARY SCHOOL : YEAR FIVE, THE KESTRELS

*Kathi Brandon, Year 5 Teacher*

### TRANSFER DAY

This month we had transfer day and we got the opportunity to try out our next class.

In September we will be transferred permanently to our next class, Eagles, which will be a great experience for all of us. Eagles will be the last class before we move schools and it will get us ready for high school.

On transfer day we met our new teachers and we learnt a New Zealand tradition called the Hakka and made up our own. In our tribes we also got a henna symbol.

We are really going to miss being a Kestrel but we are looking forward to moving on to our new challenges ahead.

### KENTWELL HALL

Kentwell hall is located in Long Melford; it is a manor house, which holds Tudor recreations. Kestrels went to the recreation which is open for three weeks in a year. We dressed up in Tudor costumes and we went through a time tunnel which was pitch black and when we got to the other side everybody was speaking Tudor English. Fortunately we made Tudor phrase books before we went!

We thought the best part of the day was the dairy house where we learned how they made different cheeses in Tudor times – it took a lot longer than it would now!

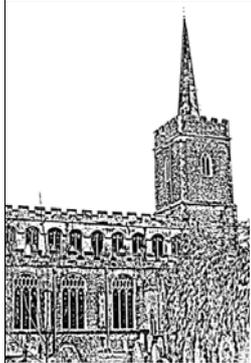

We would recommend that you visit Kentwell Hall with family and friends because it is interesting as well as fun.

### BIKEABILITY

Bikeability is a cycling skills course that is made for year 5. Most of the Kestrels took part over 2 days and learned things such as road safety. The course teaches people to cycle carefully on the road. We learned to do a u turn on the road with cycling instructors. Everyone had a lot of fun as well as learning useful tips.

We hope you have enjoyed hearing all about our year as Kestrels and we look forward to writing more as Eagles.

We are looking forward to our next event, a Wine and Canapes Evening on 20th September - *please see page 11 for details*. This will be an important topic of the Annual General Meeting which is scheduled for 19th October (11am in the church). The new charity will need Trustees and we

hope to encourage those who respect the beautiful Norman church as a defining part of the history of Wiston as well as those who treasure it as a place of worship to contribute to its preservation.

The concert in Bury Cathedral, on Saturday 18<sup>th</sup> May was a roaring success and the feedback from all sources was extremely favourable and a number of the choir will be at the Albert Hall on Sunday 7<sup>th</sup> July for a "Come and Sing" performance of the Verdi Requiem. This is a second event which is new to many and a chance to put Nayland on the map, musically speaking.

Rehearsals will start again in the Autumn on Thursday 5<sup>th</sup> September. Full details will be available soon, but we are singing in English. We are discussing how to celebrate the Choir's twentieth anniversary in 2014.

The choir is always willing to extend a welcome to anyone who would like to sing or come to hear the performances.

### JUNE COMMITTEE MEETING

At the June meeting, Mike Hunter, the new Vice Chairman, reported back on the first quarterly inspection of the Hall which he carried out with Johnny Spooner, the caretaker. As a result of this, the following actions were taken:

- A comments folder has been placed in the kitchen for the use of hirers. This folder will be examined at every VHMC monthly meeting.
- Lock Electricals have repaired the control unit for the showers, fitted a key switch for the external lights and a time switch to the toilet light in the changing rooms.
- A trolley to help move the chairs has been bought.
- A letter has been sent to the company who supplied the doors complaining about their poor condition.

# Garden Notes

by *The Old Muckspreader*

The wet Spring, a rarity in East Anglia, has produced unusually lush growth on all plants, especially trees and shrubs, and those which have flowered can now be trimmed or cut back, as the situation demands.

At the time of writing it is really hot, and if the weather forecasts are to be believed - which requires an act of faith - will remain so for some time; one pleasant result is the large number of Meadow Brown butterflies in the orchard, paddock and other areas of rough grass here.

This comes after a steady decline in numbers in recent years. It will be interesting to see whether the Vanessas, (Red Admirals, Peacocks and Painted Ladies) will do the same.

Many years ago the OM/S grew a few of that beautiful member of the Tobacco family, *Nicotiana glauca*. It sends up a stem in late summer which carries clusters of highly scented white flowers, very attractive to moths.

In subsequent years he tried to repeat the process, but never managed to produce a flower, and last year the slugs ate the lot. This year he was again given some young plants by a generous fellow member of HortSoc, and now surrounded by gravel chippings, they look in good shape, beginning to send up their flower spikes.

After a week of record temperatures most lawns are now turning brown. Watering them is a waste of effort, and water; when rain finally comes they will recover. In the meantime it's best not to mow. Wholesale watering of plants is also impractical but if an individual rarity or recently planted specimen looks sick then it should be given a really good drink (at least a gallon) and then surrounded with a mulch such as leafmould.

Vegetables, of course, are a different matter; they need regular watering.

## THE VILLAGE CONSTABLE

The jurisdiction of medieval manorial courts was so wide that very few members of the adult male population could avoid being recorded in some way. Every Lord of the Manor had the right to hold a court for his tenants and the court was presided over by his Steward. Manorial juries consisted of 12 homagers or jurors and their main duty was to deal with the Lord's financial interests in his manor. One other duty was to appoint parish officers, including Constables and Aletasters. In Nayland two Constables and 2 Aletasters were appointed every year.

Constables were important figures in the community, a link between the Lord of the Manor and his tenants and the keepers of law and order. Later as manors decayed the appointments were made by the Parish Vestry Meeting. Constables served for one year and were usually elected on a rotation basis; they needed to be better off members of the community, such as farmers or craftsmen, as the office was unpaid and no expenses were given for loss of earnings. They had many duties as well as dealing with petty law and order and being responsible for the stocks, pillory and village lock-up. In Nayland the stocks stood in the High Street and the lock-up was in the Workhouse in Fen Street. They saw to the whipping of vagrants and escorted prisoners to Quarter Sessions or Assizes. They were also responsible to the Head Constable of the Hundred for certain duties and the Justices of the Peace for others.

Constables collected national taxes, such as the poll tax, hearth tax and land tax, and county rates which paid for such things as prisons, roads and bridges. Their military duties included the raising of the local militia and they were responsible for weights and measures and the supervision of ale houses. One of their most important responsibilities was the distribution of money to the poor of the Parish. Daniel Defoe remarked in his *Parochial Tyranny* (1714) that the office of constable was "one of insupportable hardship ... it takes up so much of a man's time that his own affairs are frequently totally neglected, too often to his ruin". However, many elected Constables regarded the position as an honour which gave them status in the community.

The Suffolk Record Office holds minute books for the Manor of Nayland with Downings from the 18<sup>th</sup> century, with a few gaps. They make fascinating reading; for instance, in the minutes of the Court Baron which dealt with the transfer of property, most of today's older properties are mentioned but many had different names and it can be difficult to pinpoint a particular one. It is sometimes possible to trace people's movements as I have done with a former occupier of my house, Thomas Marshall. He lived in three houses in Court Street and was a member of the Manor Court for several years. His son-in-law, a local blacksmith, was also a member and was a Constable and Aletaster in the 1830s.

Two members of the Alston family who lived at what is now called Alston Court were attorneys by profession and were Stewards in the 18<sup>th</sup> century. Sometimes the Court met in the White Hart in the High Street but in 1742 the minutes say the Court was held "in the chamber of the house called the Market House". About this time the Market Cross was also mentioned and "the Middle Row near the Market Place, formerly 2 butchers' stalls", which conjures up a quite different picture of the High

*The White Hart where the Manorial Court sometimes met*

Street from what we see today. Unfortunately we can only use our imaginations as there is no pictorial evidence but I wonder if the Market House still exists. Perhaps the name is mentioned in someone's deeds.

The Home Secretary, Sir Robert Peel, founded his constabulary in London in 1829 but it took several years for police forces to spread from London into the provinces. Thus, in the reign of William IV (1830 – 1837) village Constables were still appointed by the manorial court in Nayland. In those days a Constable's truncheon was as much a staff of office as an instrument of law and order. I was fortunate to be given the Nayland truncheon from this time by the family of the late Blair Lees, former Parish Recorder, which had turned up in Ipswich in the 1970s. The truncheon shows the monogram of King William IV, followed by his Royal Arms surmounted by the Crown. The White Horse of Hanover stands out clearly and underneath it all is the single word "Nayland". As Thomas Marshall, who lived in our cottage until he died in 1842, was a member of the Manor Court and partly responsible for appointing village Constables, I am more than happy to see the truncheon hanging on its hook on our wall.

Last year I was surprised to be shown a similar truncheon with "Wiston Suffolk" painted on it by someone living in Hampshire whose ancestors were local millers. When Wiston had its own Constable I can't help feeling that being responsible for such a rural area he could have been particularly overworked.

In living memory Nayland still had its own resident Police Constables but their duties could not have been more different than those of the Constables of centuries ago. They worked from their own private houses until the 1950s when a designated house was built in Bear Street at about the same time as the new school and headmaster's house. By the 1980s Nayland no longer had its own resident constable and the police house was sold. Gradually our police presence has diminished to just a glimpse of a police car occasionally driving through the streets. How different from the days when the resident bobby knew everyone in the village and kept an eye on what the youngsters were up to, no doubt deterring some from a life of crime with a stern word or two when required.

## RECORD CHURCH FETE

Traditional features plus a record number of stalls and side-shows for all ages resulted in a bumper church fete at Nayland on Bank Holiday Monday, May 27.

Warm sunshine attracted hundreds of villagers and visitors to the playing field which was packed all afternoon.

Fete committee chairman Andora Carver said: "It was a brilliant day and wonderful to see so many people there having such fun. Our thanks go to the stallholders and everybody who gave all the lovely things we had to sell."

One of the highlights was an impressive display of more than 30 gleaming classic cars ranging from Austin 7s to racy sports models and several Rolls Royces.

Well-stocked stalls did a roaring trade and the sideshows included a new traditional tombola, coconut shy and the ever-popular crockery smash.

A variety of children's races, novelty adult sports and three tugs-of-war were organised by Terry Bannister and there was no shortage of volunteers.

Making its 16th appearance at the church fete the Victory Jazz Band entertained spectators with its catchy brand of trad jazz during the afternoon. Nayland fire brigade's appliance was also there enabling people to inspect the vehicle and sit behind the wheel.

## FETE THANKS

This year's Church Fete result is the best ever. A combination of good weather, a lot of items to sell and a record attendance resulted in a surplus of £13,696 for the St James Fabric Fund. Including income from the Friends of St James, the Friends of St Mary's Wiston and the Nayland Youth Club's stalls, the total sum raised was £14,502.

This would not have been possible without a great deal of hard work in preparation and on the day. There must have been well over 100 helpers on the field during the day. So a huge thank you to the committee, stallholders, car parking attendants, sideshow, sports and tea helpers and to the field team who so efficiently put up the tents and gazebos and then took them all down again. Thanks also to those who loaned us the tents and gazebos which make the field look so professional and attractive. We are also very grateful to our sponsors whose financial support was crucial in achieving the record surplus – Reemans, Boydens, Buggs, and Gladwins Farm.

The feedback we received was very positive and thanks to all involved in making this such a happy and successful community event.

Next year the Fete will be on Monday 26<sup>th</sup> May 2014. Please contact me if you would like to help or have any items to donate. We start the barn collection on April 1<sup>st</sup> unless it is more convenient to leave items for sale earlier.

## OPEN GARDENS

Grey skies were ignored as hundreds of garden enthusiasts visited Nayland for the village's popular open gardens afternoon.

Organised by Nayland with Wissington Conservation Society, the event was a great success and made a £2,500 profit.

Sixteen gardens were on show ranging from cottages on the mill lade to riverside houses and larger properties.

Secretary Andora Carver said: "People were very complimentary about the gardens which were looking wonderful and the weather didn't seem to matter. Cakes and ice creams also sold well.

"A huge thank you to everyone who opened their gardens and all the people who came."

Proceeds from this year's event will go towards financing a second test pit dig in the village due to take place in September 2014.

### Police investigate Bear Street playground attack ! Can you help?

For the third time in a month, many hundreds of pounds worth of damage has been inflicted upon our children's playground in Bear Street. It's ironic that currently a group of volunteer parents and councillors are planning how to improve the facilities of this much used village hub.

Sadly, we believe the vandals to be local and all residents backing on to the site, in three streets, have been asked to be on the lookout so that the culprits can be caught or identified. Many thanks to them. More intense surveillance will now occur. The crimes have been committed in the early evenings. Do you know where your own teenagers are in the evening? Suffolk Police are currently following up enquiries and any information should be passed to them via **Tel: 101** number quoting Crime Reference **HD 131015**.

Alternatively e-mail our Safer neighbourhood officer at **babergheast.snt@suffolk.pnn.police.uk** with any information. If you see vandalism in action phone **999**.

With so many positive things happening in our village, this is all very sad. In all likelihood, the culprits once used and enjoyed the equipment. Now isn't that ironic?

## St James Church Kneeler Projects Book

Jeanette Finch, Vivien Turnbull, Peter and Anna Mann and Lorraine Brooks have produced a book featuring the Kneelers which have been crafted in the last 16 years by so many volunteers. The spiral bound book has full colour pictures of all the Kneelers, each accredited to the person who made it, and is a beautiful record for the future.

If you would like your own copy, please phone Alan on 262800, who can supply one for £12.50. If you would like to see a copy first, there is, of course, a copy in St. James' Church.

## SCHOOL FETE

A variety of attractions guaranteed a fun-filled morning for pupils, parents and other villagers who attended Nayland Primary School's summer fete.

Popular features included donkey rides, a zippy dipper, bouncy castle, barbecue, face painting, a penalty shoot-out and various stalls.

Organised by the Home School Association, the event made about £1,400 for school funds.

Chairman Emma Wallis said: "It was a great success, very well attended and we missed the rain by about an hour! Thanks to everyone for their hard work and all who supported us."

One highlight was a display of Tudor dancing by year five Kestrels who have been studying the period and made their own costumes. They were accompanied by fellow pupils playing Tudor music on their instruments.

All the tombola prizes were donated by the children when they took part in a non-uniform day the previous week.

Woodland Corner, Nayland's childcare centre, was also involved running the lucky dip.

## THANK YOU

On behalf of Rob, Andy, Stu and myself I would like to say a big thank you to all my friends and neighbours for the flowers, cards and offers of help after the unexpected death of my husband Colin.

All these kindnesses have helped greatly to make a sad time more bearable.

Thank you all again,

## CONSERVATION SOCIETY by Pat Bray

This year's open gardens event was very successful and raised about £2,500, members of Nayland with Wissington Conservation Society heard at their meeting on June 24. Chairman John Alexander said 16 gardens were on show and he thanked everyone who took part by opening their gardens or selling cakes and ice creams.

He said the money raised this year and next would go towards financing a second test pit dig in the autumn of 2014. The society had also applied to the community council for a £1,500 grant to help pay the £8,000 cost of the dig organised by Cambridge University. It was a very worthwhile project which would reveal much of the village's ancient history, he added.

Reporting on the Horkesley Park application, Mr Alexander said Bunting and Sons' appeal against refusal would be heard by a planning inspector in October and would take 12 days - ten at Langham village hall and the last two at the Moot Hall, Colchester. Whatever the outcome of the hearing Mr Alexander said it would be called in for the Secretary of State to make the final decision.

Jean Dryden, who has devised promotional material for the society for more than 30 years, was presented with a basket of flowers as a token of members' appreciation and thanked for helping to make society events so successful.

Following the acquisition of a postcard collection and Constable sketch members approved two changes to the society's constitution enabling it to acquire items of historic or public interest.

The business meeting was followed by an entertaining talk by farmer John Rix on *Farming in the Stour Valley*.

### RAISING THE BAR IN EDUCATION

A report, commissioned by SCC, has now been produced by the RSA with a series of recommendations aimed at driving up educational standards in Suffolk. The RSA (*Royal Society for the encouragement of Arts, Manufactures and Commerce*) is an enlightenment organisation committed to finding innovative practical solutions to today's social challenges.

The RSA's report, '**No School is an Island**', contains **20 recommendations**. Among these is the idea that small rural schools with fewer than 100 pupils should enter a federation with others to maximise resources. Other suggestions include: for Suffolk to form a partnership with a London Borough with a record of improvement in educational standards, to learn from the huge progress they have made; for every school to establish a Parents' Council to ensure voices are heard, and also for all Suffolk schools to join together to form a new county-wide, school-led Suffolk Partnership for Excellence in Learning.

Action already taken is that a formal liaison has been created with the Hackney Borough who have certainly improved their standards over the last 10 years.

Driving up educational standards in Suffolk is our number one priority. A wide range of people play an important role in a young person's education, from parents through to head teachers and Governors. We are determined to leave no stone unturned in helping everyone play their part in giving young people in Suffolk the best possible start in life.

### FUNDING CONFIRMED FOR A14 IMPROVEMENTS

The government has very recently confirmed that funding will be available to upgrade the A14 between Cambridge and Huntingdon. The work to upgrade the A14 will go ahead at a

cost estimated at being close to £1.5 billion. It is proposed that this will be funded in part by local authority contributions, together with tolling of the road when completed. SCC's Cabinet will be discussing the issue at its cabinet meeting on 9th July, with a view to confirming a commitment to provide around £1 million to the project over a 25-year period.

### LAUNCH OF BROADBAND WEBSITE

A new website has been launched with information on Suffolk's project to deliver high-speed broadband across Suffolk. ([www.betterbroadbandsuffolk.com](http://www.betterbroadbandsuffolk.com)). Leavenheath is now planned for upgrade in 12-18 months time. All efforts will be made to bring this date forward.

### INCIDENTS IN NAYLAND

Over the last couple of weeks there has been some damage caused to the gate and fencing surrounding the play area at Fairfield recreation ground, if you have any information regarding this damage please contact us on 101 quoting the crime number HD/13/1015. Also damage was caused to two vehicles on the Harpers Estate.

Officers have and will be paying extra attention to these areas and anyone seen in these areas at an inappropriate time will be stopped and encountered by officers.

After the recent spate of vehicle crime in the Elmsett area residents are reminded not to leave valuables in their vehicles and to LOCK them. Over half of car crime is 'opportunistic'. Most criminals can be easily outsmarted by taking simple steps to secure your car. **Don't give criminals an easy ride.**

Welcome to this month's Police news item.

#### Failing to Stop and Report following a Road Traffic Accident

It is an offence for a person being the driver of a mechanically propelled vehicle and owing to the presence of that vehicle on the road or other such public place an accident having occurred whereby damage or injury was caused did fail to stop and give his name and address and identification marks of the vehicle. (Road Traffic Act 1988 s 170 (2) see below)

*'Section 170(2) of the Road Traffic Act 1988 provides that the driver of the motor vehicle must stop and, if required to do so by any person having reasonable grounds for so requiring, give his/her name and address, the name and address of the owner of the vehicle and the identification marks of the vehicle. The duty to stop means to stop sufficiently long enough to exchange the particulars above.'*

*Section 170(3) places an obligation on the driver, if he/she does not give his name and address under subsection (2) above, to*

*report the accident to a police constable or police station as soon as reasonably practicable and in any case within 24 hours. The duty to report means "as soon as reasonably practicable, it does not mean the driver has 24 hours within which to report the collision.*

*When the evidence reveals a failure to comply with both subsections (2) and (3), proceedings should be brought for both offences. The failure to stop is usually viewed as the more serious of the two. A person who fails to comply with subsection (2) or (3) above is guilty of an offence punishable with a maximum sentence of six months' imprisonment.'*

#### What are my legal obligations?

If damage has been caused to another person or another person's property, you must stop and provide your full details to the injured party/the owner of the damaged property. You must supply your name and address and the name and address of the owner of the vehicle you were using, if it is not your vehicle. In the case of a person suffering injury you also have an obligation to report the matter to the Police "as soon as reasonably practicable" but in any event, within 24 hours.

#### I was involved in an accident but did not stop or provide any details, what offences have I committed?

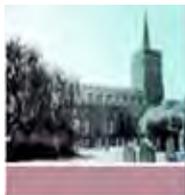

You could be prosecuted for failing to stop and failing to report, regardless of whether you are to blame for the accident. If the accident is wholly or partially your fault, you could also be prosecuted for driving without due care and attention or dangerous driving.

#### What are the potential penalties for failing to stop and failing to report?

Each offence can result in an instant driving ban, but in normal circumstances, you should expect a means tested fine up to £2,500 and between 5 and 10 penalty points. In extremely serious cases, punishment can include community service, a curfew order or a prison sentence.

Dear all,

I commend the following to you about food banks. It is from Jim Sephton who is one of the Lay Elders in our benefice wide ministry team. Every Blessing,

*Adrian*

## FOOD BANK

I write this on a beautiful warm summer's day having had a good breakfast and with food in the fridge but I have just been listening to BBC Radio Suffolk and they have been talking about families in Suffolk with no food to eat and how the local food bank has been a life saver. The food banks are well organised and only accept clients who have been referred to them by statutory organisations or charities. The most local food banks to us are in Ipswich and Colchester. Can we make a difference by helping others in our community? There are food boxes in the Parish churches at Leavenheath, Nayland, Polstead, Stoke by Nayland and Wiston. If you are able please pop in and place some food in the boxes. I understand that products need to have a long shelf life and must be unopened. Tins of meat and fish, tinned meat pies, soup, packets of rice or pasta, biscuits, etc are most welcome. Whatever you can spare will be gratefully received..

Please be aware that mice have found a home in our churches and it is really important to put the lid back on the storage box in the church. It is planned to keep this project running for at least a year.

Have you heard about Martin who was born in Hungry about 316? Martin's father was a tribune in the Roman army, which made him a very influential man. When Martin was 10 years old he went to a Christian church and declared he wanted to learn more about the Christian faith.

His pagan parents were not best pleased but by the time that Martin was 15 years old he was actively engaged in church

work. When Martin was 16 his father forced him to join the Roman army. In the army Martin learned discipline, obedience and orderliness. He learned to travel lightly and because they were always on the move celibacy was the ideal.

As the son of a Tribune he was soon made an officer and given a servant. He shocked others by sharing the servant's work, for example taking it in turns to clean each other's boots. Martin gave his money to the poor and cared for the needy. It was at the city gates of Amiens that Martin cut his cloak in half and gave half to a beggar.

That same night in a dream he heard Christ say to the angels in heaven "Look what Martin gave me this day", and he showed them his half of the cloak.

If you can bring some food for the food bank then hopefully you will find the church peaceful and you will have time to sit and relax or you might like to join one of our Morning Prayer services. These services are a time for prayer and bible reading and last about 25 minutes. It is also an opportunity to meet a member of the ministry team. The services are held weekly on Mondays, Tuesdays, Wednesdays and Thursdays. The times and places are listed elsewhere on this page.

By giving food to the food bank you will make a difference to some one's life just like St Martin did.

*Every Blessing, Jim Sephton Jim.sephton@tiscali.co.uk*

If you visit St James' church, one of the things you might see is the book about the kneelers. This is beautifully presented and has been reproduced by The Friends. If you would like a copy for yourself or to give as a gift, please contact Alan Edwards on 262800 who will give you details.

## New kneelers for St Francis Chapel Altar Rail

Another new thing in St James' are the kneelers at the altar rail in the St Francis Chapel. If you haven't already had a look make a special trip. They are beautifully designed and executed, depicting St Francis and local scenes.
