NAYLAND REVELS

A market fair organised by Nayland Community Council on the village playing field on Monday, made a profit of £600.

The morning's heavy rain caused some anxious moments, but the skies cleared to give a fine afternoon and the event went off as planned. It attracted 1,500 visitors from a wide area.

A programme of 'rustic romp' crazy sports for cash prizes organised by Mr. John Curtis was the main attraction.

The most successful competitor was Kevin Milner of Nayland football team who won seven races.

The many stalls and side-shows did a brisk trade, including an exhibition of 'Nayland Past and Present'.

Another attraction was a children's fancy dress competition which produced some original ideas.

Under 5 winners: 1 Joanna Fernandez, 2 Christopher Philk, 3 Angela Webb. **Over 5 winners:** 1 Stephen Philk, 2 Tarnya Stribling, 3 Maria Fernandez.

Mr. Roger Balls was M.C. for the afternoon.

The chairman of the Community Council, Mr. Ken Willingale, said in view of doubtful weather he was delighted with the result.

Two 2lb bags of sugar auctioned at the fair went for 50p and 55p a piece.
