

## Nayland fair was a record

**THE** annual Nayland market fair on Monday turned out to be a record affair. Not only was there a record gate of more than 1,500 but a record sum of more than £1,300 was raised.

The fair, always held on Bank Holiday Monday, was the ninth

and as usual included a variety of country games, as well as the traditional stalls and sideshows.

The fair, held on Webb's Meadow — was organised by Nayland Community Fund. Proceeds will go into the fund's kitty for use in the village.
